

Housing Handbook

DORM ASSIGNMENT

First-year students are assigned housing based on a preference questionnaire submitted before orientation. Returning students select housing through a priority lottery based on cumulative credit hours earned, with students closer to graduation receiving earlier lottery slots.

MEAL PLANS

All students living in university housing are required to enroll in a meal plan. The standard meal plan includes 14 meals per week and a \$150 per semester dining dollar allowance for use at campus cafes. Unused dining dollars do not carry over between semesters.

GUEST POLICY

Overnight guests are permitted for a maximum of 3 consecutive nights and must be registered with the front desk at check-in. Guests are not permitted during final exam week, in order to preserve a quiet study environment for residents.

HOUSING ELIGIBILITY AND COURSE LOAD

Continued eligibility for university housing requires maintaining full-time enrollment status as defined in the Registration Guide. A student who drops below full-time status during a semester may be required to vacate university housing within 30 days, except in cases of documented medical leave.

DAMAGE AND DEPOSITS

A \$200 housing deposit is collected at move-in and is refundable within 6 weeks of move-out, minus any documented damage charges. Disputed damage charges may be appealed in writing to the Housing Office within 14 days of receiving the charge notice.
